JOINT HIGH SCHOOL
EASTON, PA.

OUR ALMA MATER

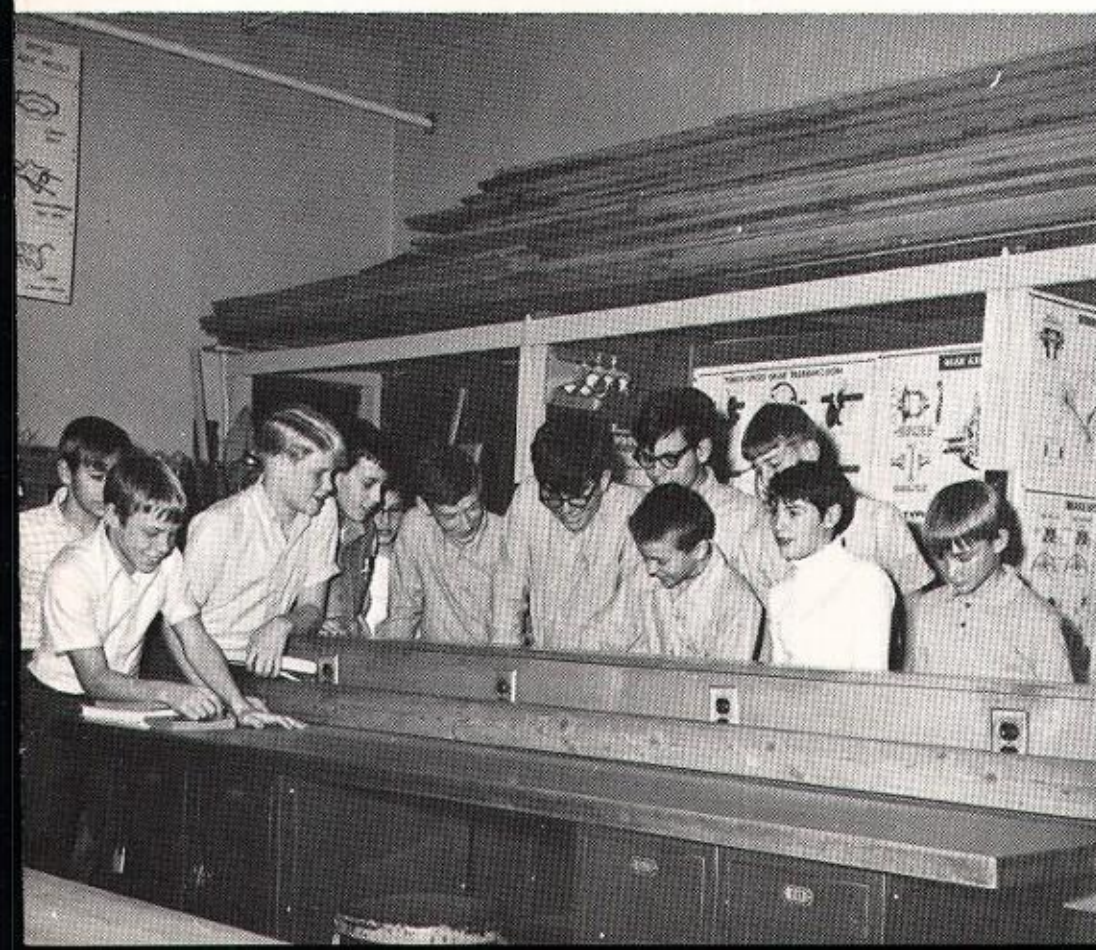

Dear Alma Mater, Wilson High,
 Our love we freely give to thee;
 Beneath thy Blue and Gold we stand,
 In proud array, a loyal band,
 Enraptured with kind thoughts do we
 Laud Wilson High, dear Wilson High!
 With happy mem'ries of the hours
 When we were gath'ring tares or flowers
 Preparing for our destinies.

For thee our eyes with blessings shine,
 Our kindest thoughts are all for thee;
 Dear Alma Mater, knowledge's shrine,
 Our youthful hearts are wholly thine
 And we do yield our love so free.
 O, Wilson, Dear, for many a year
 Long may thy teachings of the Truth
 Be guide and precept for thy youth
 To the lasting fame of Wilson High.

Foreword

School has been our lives. We have adapted; torn down, constructed; advanced, stumbled, and advanced. . .

We have become. The new and the old have sought a resting place upon us, though only within can a heart flourish. . .

I am myself. I shall still live, but only through experience can I discover myself. School has been an experience. School has been my life.

Chris

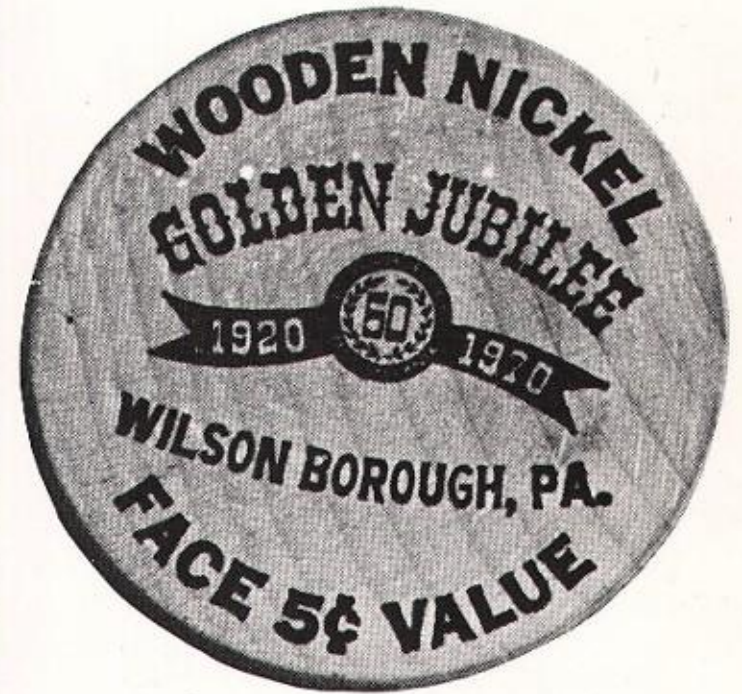

Dedication

Whereas Wilson Borough of the Commonwealth of Pennsylvania has provided its residents with a beloved home; whereas upon the same citizens have been bestowed measureless benefits arising from their very station on the face of the Earth and from their hallowed proximity with their fellows of the said community; whereas the members of that communal group have succeeded in obtaining the esteemed situation of Happiness in the difficult age of the twentieth century; whereas those residents have grown from a lowly youth to a destiny of exalted humanity by virtue of their advantageous environment; and whereas that community presently experiences satisfaction in proclaiming its fifty years of existence in this year of our Lord Nineteen-hundred and Seventy; therefore, We, the Senior Class of Wilson Borough Area Joint High School consider circumstances fitting and proper to dedicate our 1970 yearbook, *Les Memoires*, to the Borough of Wilson.

WE'VE COME A LONG, LONG WAY

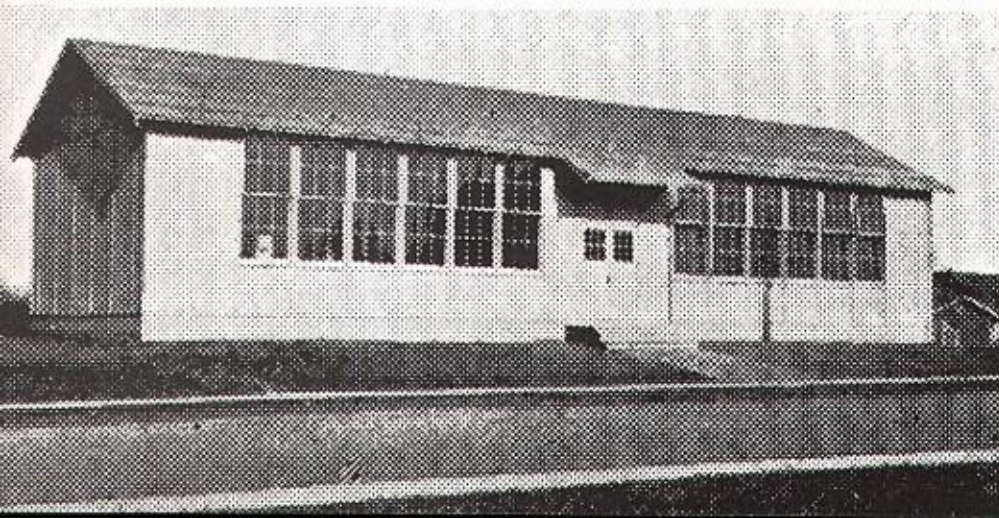

Chris Riley presents *Les Memoires* of the Class of 1970 to Mayor Gus Blase of the Borough of Wilson.

Wooden Nickels have become legal coins during the community's observation of its Golden Jubilee. The coins will become only souvenirs after June 15, 1970.

Amy Goes To Norway

Amy Vogel had her dream come true when she received an American Field Service International Scholarship to spend a year abroad in school in Jessheim, Norway. Although she realized she would miss her friends and the graduation services, she felt that there were many benefits and goals to be attained by participating in this program. Amy was very fortunate in becoming a member of a wonderful Norwegian family. Her father is Captain Peder Engen, her mother, Ellen, 17-year old sister Kari, 15-year old brother Per Arne, and 11-year old sister Ruth. She has developed a valuable and loving relationship with all. We know Amy will miss them when she comes back to the United States on July 16th. Taking part in this experience has been marvelous, very worthwhile and unforgettable for Amy Vogel.

Per-Arne practices gently on the piano, but his music is often unbearable.

Mr. Stanley L. Kessler, Superintendent

Dear Mr. Kessler:

Yours is a weighty task. To the Superintendent of Wilson Borough Area School District are entrusted the young of our community today, the men of the world tomorrow. In his hands rest the trials and tribulations of an educational complex: creating an environment conducive to learning and securing the best men to fashion that environment. The Superintendent, in brief, governs a preparation for Life.

You, Mr. Stanley L. Kessler, have loyally served Wilson Borough High School in years past and have proven your concern for a better world. We, of the graduating class of 1970, extend to you a hearty welcome to your new post of superintendent and our sincerest gratitude for your past service and wish you good fortune in future years. May you be guided by wisdom and heart for the well being of Mankind.

Very sincerely yours,
The Class of 1970

WILSON BOROUGH AREA SCHOOLS COMMITTEE

Seated—Mr. Schumacher, Mrs. Washburn, Mr. Koch, Mr. Kessler, Mr. Palmer.

Standing—Mr. Bogari, Mr. Dauser, Mr. Ealer, Mr. Schooley, Mr. Lauer, Mr. Kester, Mr. Creveling, Mr. Jones.

SECRETARIES

Seated—Mrs. Kulczycki, Mrs. Pfister, Mrs. Kerbaugh.
 Standing—Miss Peters, Mrs. Dinan.

The Board of Education strives to provide the most favorable educational opportunities for all students by securing the best teachers and facilities available. Its purpose is to prepare the young of Wilson Borough to most effectively face and shape tomorrow, always seeking a fulfillment of Life's promises.

Mr. Lee W. Palmer, Secretary of Schools Committee.

Robert E. Wisser, School Psychiatrist

Congratulations — The experiences of high school are complete. But the preparation for life which you began here is not finished. Mankind has a history of accomplishments and failures. These treasures of the past are yours. Society exists by the communication of ideals, hopes, expectations and standards. Only the most foolish of men would reject the experiences and wisdom of past generations. You are now responsible for preserving and adding to the treasure chest of human experience. To fail will result in a return to barbarism and savagery.

The past has offered you valuable gifts if only you will accept them; you also inherit all the problems of the future. The list is long and includes overpopulation, pollution, war, crime, misery and suffering. The solution to such problems will challenge the best talents of your generation. When Columbus set sail from Spain, he had no intentions of discovering America. He was, however, seeking a better way to go places. You too must seek better ways to solve the pressing problems of mankind. We have long accepted the concepts of liberty and the pursuit of happiness. These are meaningless without adding a third dimension—responsibility.

Best wishes for a fruitful future. Take with you a willingness to learn and discover how to use your knowledge in the interests of those who will follow after you.

Girls' Field Hockey Offense on Rampage

The girls' Field Hockey team finished their season with a 7-4-2 record under the able coaching of Miss Hope Paul. The high scorers were Senior JoAnne Tomko, and Junior Carolyn Arnold, both with 7 varsity goals. The defensive unit limited the opposition to 17 goals while the offense scored 32. The J.V. record was 4-5-3.

"69" Soccer Team Proves That It Is Tough

The Wilson High Soccer Squad concluded its season with a record of four wins, four losses, and two ties to finish in sixth place in the East Penn League.

Under the leadership of coach Don Benner, and co-captains Mike O'Brien and Don Featherman, the Warrior booters proved to be tough competitors. We battled to a 2-2 tie with Freedom who finished first in the league, and fought Easton, who finished second, into a double overtime until we were defeated by a single goal.

The Warriors displayed great skill, sportsmanship, and the spirit characteristic of "70" throughout the season and did a fine job.

WILSON ALMOST DEFEATS NAZARETH

The 69-70 football team was led to a 4-6 record by tri-captains Skip Dalrymple, Jim Gebhart, and Don Reed. The team was erratic but when everything was put together, they were untouchable. Bangor, Heltown and Northwestern felt the powerful Warrior wrath.

Wilson entered the traditional Thanksgiving Day game against Nazareth, a decisive underdog. From the beginning kick-off, the Warriors fought and didn't let up until the final gun. Nazareth found itself fighting for life and just managed to score in the last quarter. Wilson really didn't lose the game; the clock ran out and we just didn't have enough time to score.

School Spirit Grrrreat

When school started in the fall a new spirit campaign was promoted by the cheerleaders to raise the school spirit above any level it has been at W. H. S. The halls were completely wall-papered with signs and for the first time a cheer-along was held to teach new cheers. There was more cheering in the pep rallies and, most important, little things were done for the players to let them know the cheerleaders and student body were supporting them through thick and thin.

All this was done with the help of a really understanding and hardworking advisor, Miss Helen McHugh. The seniors will leave, but the proud cheering tradition will keep on growing. Everyone, whether leaving or not, will agree that "W. H. S. can't be beat."

The Cheerleaders boost Wilson spirit in their first "Cheer-along".

J.V.'s Are Undefeated

This year the Wilson J.V. football team showed the L-N League what a powerful team Wilson would have in the two years to come. This outstanding group of football players finished the season undefeated with a record of nine wins and no losses. Their sparkling offense collected a total of 256 points while their tough defense gave their opponents only 26 points.

Among the most exciting games were those against Nazareth and Pen Argyl, both previously undefeated. The mighty Warriors, under the inspiring guidance of Mr. Miller and Mr. Jaso, pulled through again and handed them both substantial losses. Congratulations for a terrific season!

Freshman Football

The Wilson freshman football team, under the able coaching of Mr. Jaso and Mr. Miller, finished its season this year with a record of four wins, two losses and one tie.

Although the freshmen started out slowly, losing their first two out of three games, they improved greatly as the season progressed. They learned a lot from the J.V. team and are hopeful they will be as successful as their teachers.

The purpose of the All Sports Club is to acquaint its members with various sports activities. Emphasis is placed on those sports which will serve as excellent leisure time activity in adult life.

Numerous sporting events are discussed at meetings of the club. Several films of professional, collegiate, and high school sports activities have also been shown.

Club advisors are Mr. Jaso and Mr. Terranova. Officers this year are Bill Navarre, president; Gene Howey, vice-president; Guy Gonzalez, secretary; Alan Fisher, treasurer.

Pep Club

The Pep Club is an active cheering group for all sports. It tries to build school spirit by making and hanging signs in the school halls, and taking them to sporting events to encourage our Warrior players.

Wilson Warrior hats were purchased by the Pep Club this year and were then sold to students. They were great spirit boosters at sporting activities.

Special mention should be made of the senior high boys who, led by Mike Radogna and Jim Klass, actively participated in club-sponsored events.

Mr. Haas served as this year's advisor. Co-captains were Debbie Rogers and Joni Eastman; Marti Feinberg was secretary-treasurer.

The Alma Mater of Thanksgiving, 1969

Warrior Band

"Lift those legs!" "Guide right!" "You're out of step!!!"—the familiar strains from the football field and Dixie lot as the great WHS band indulged in its many practices during and after school. The members' hard work again brought about another successful and enlightening year. Under the fearless and capable hands of director Mr. Curnow, the band recaptured the Easton J.C.'s trophy after placing first in the annual Halloween Parade, and came out on top once again in the Veterans' Day Parade. The Warrior Band also marched in the Lafayette Alumni and Wilson Golden Jubilee parades.

With the end of the fall marching season on Turkey Day, the band members settled down for the concert band season. The annual band concert was held on May 2, and, with its wide range of musical numbers, proved a success.

The band also helped to celebrate the borough's Golden Jubilee by bringing back past band presidents, head majorettes, band alumni, and directors for a final concert at Meuser Park.

Twirlers in the Finest Form

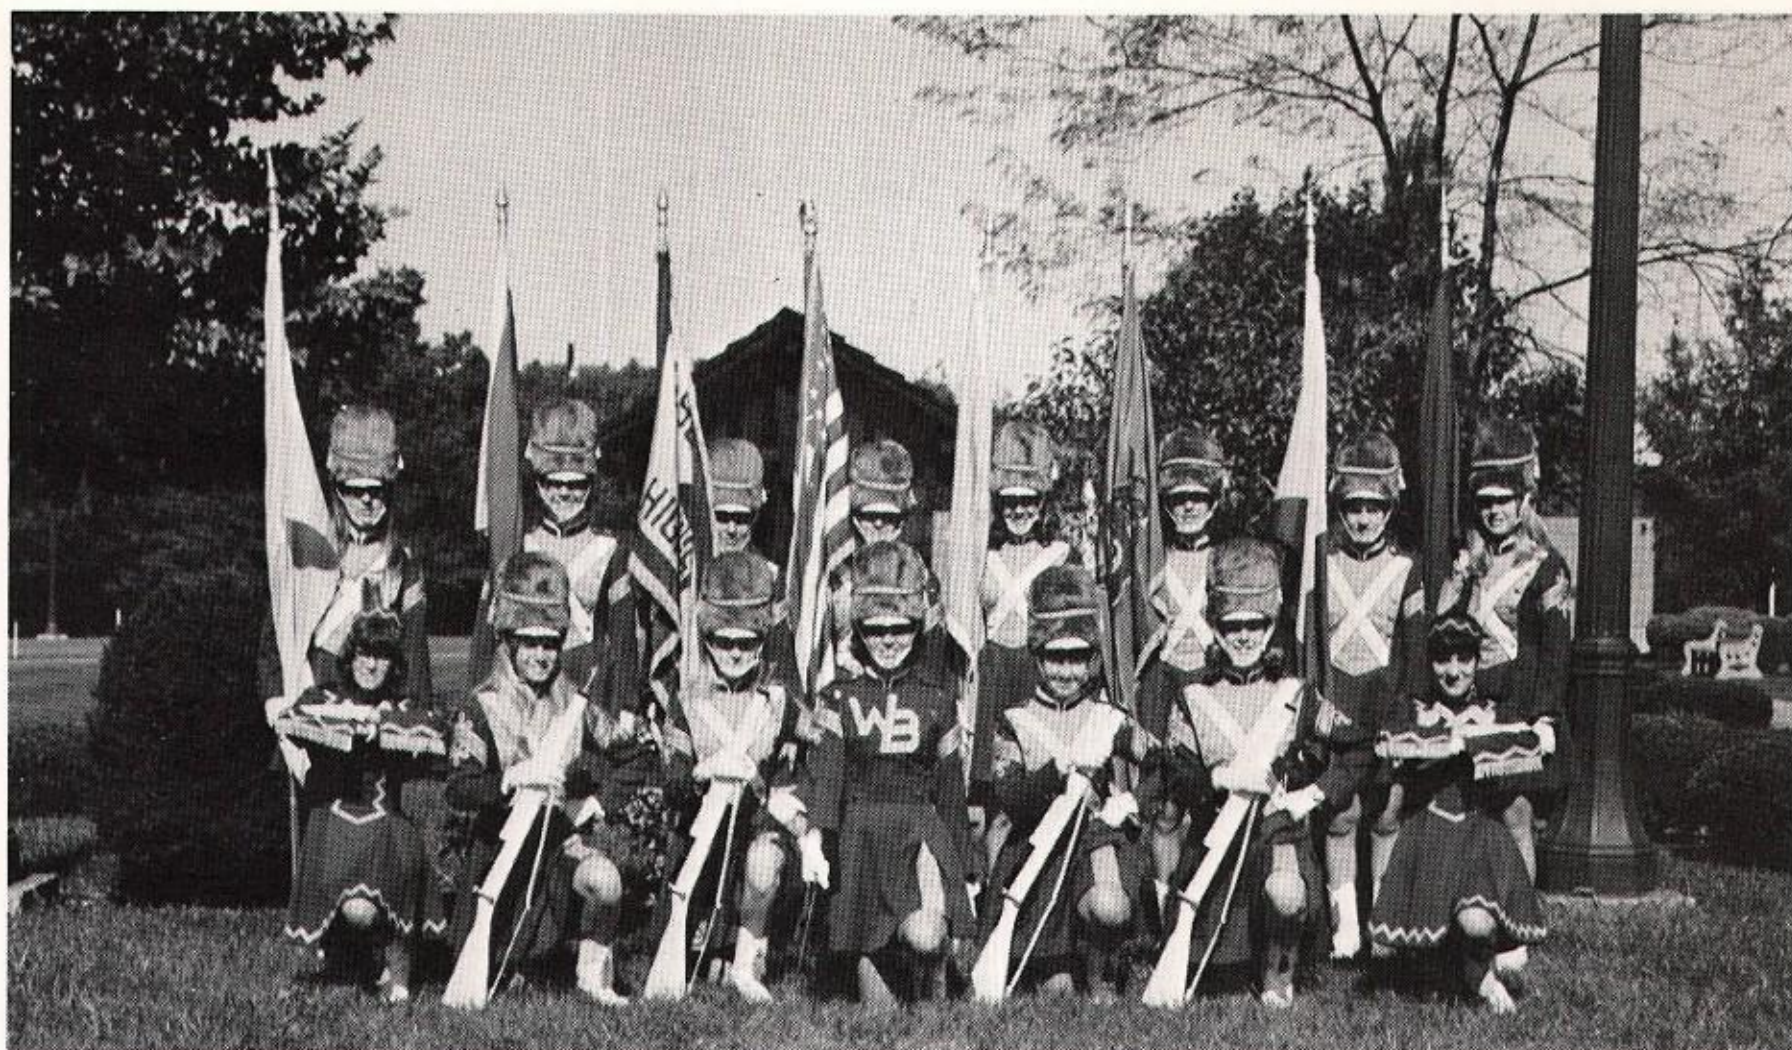

Entertaining at football games and participating in parades and concerts kept the Wilson High twirlers busy throughout the year. The squad this year was lead by Carol Nansteel, head majorette, and her two assistants, Nancy Holmes, right side, and Michele Michael, left side.

In the Easton Halloween Parade and the Veterans' Day Parade in Bangor, the twirlers, along with the color guard and the band, captured first place. The twirlers also helped celebrate the Wilson Borough Golden Jubilee when they participated in the Jubilee's parade.

Many hours of practice prepared the twirlers to perform their best whenever they were representing Wilson High. The squad throughout the year was capably assisted by Miss Lorraine Steuber, the advisor.

Leaders of the Band

The Color Guard, under the leadership of senior Wanda Frankenfield, saw its second year before the Warrior Band in 1969-1970. The girls learned many intricate routines and added more rifles to their squad. They carried the banner of the band in parades and at football games, making a colorful front. The squad members worked hard while rehearsing their routines, but they had fun doing it. This year's departing seniors — Wanda Frankenfield, Diane Krout, Debbie Kocher, Nancy Baker, Kathy Richards, and Kathy DeVito — will have fond memories of Wilson's first Colorguard.

Orchestra

The Wilson High School Orchestra, under the direction of Mr. Curnow, puts its emphasis on the "living" strings, while combining the other features of the brass, wind, and percussion instruments in forming an all around musically pleasing sound. The orchestra performs at the annual Holiday musicals, the May Music Festival, and is inextricable at the Baccalaureate and Commencement services. This year most of the members of the orchestra were involved in the presentation of *Li'l Abner*. The orchestra's performances were enjoyed and appreciated.

Brass Choir

The Brass Choir is another of Wilson's many musical organizations. This group consists of the brass playing members of the Warrior Band who enjoy playing the "all brass" sound. Traditionally, the ensemble tours the elementary schools at Christmas time, and this year performed downtown during the Christmas season. It also performed in the May Music Festival. Mr. Curnow served as advisor to the Brass Choir.

Junior Band

One may wonder where the members of the Wilson High School Warrior Band gain their experience as musicians and bandsmen. It is usually done on Wednesday afternoons after school when students devote an hour to this fine musical group. Senior Band members in the 7th, 8th, or 9th grade must play in the Junior Band at least one year. This fine group of prospective musicians performs at the May Music Festival and occasionally at assemblies.

Little Wilsonaires

The BRB's have worked quite hard this year preparing for their Spring Concert. This junior high group is made up of 22 students — 11 boys and 11 girls. Each student who sings in BRB's is required to audition for membership. One of the accomplishments of this select group this year was mastering of a medley of songs from "The Music Man." Every Tuesday morning found these ambitious students filling the halls with music.

Wilson High School was proud to have four students attending districts for the year 1970. In January Debbie Deremer and Mark Seiple took part in District Band at Whitehall High School. The following month, Marsha Buckman and Elaine Kulczycki performed in the District Orchestra at Moravian College. Marsha also attended District Chorus, which was held at Easton High School. The many hours of strenuous practice resulted in fine performances by all.

Warriors Have a Tough Season

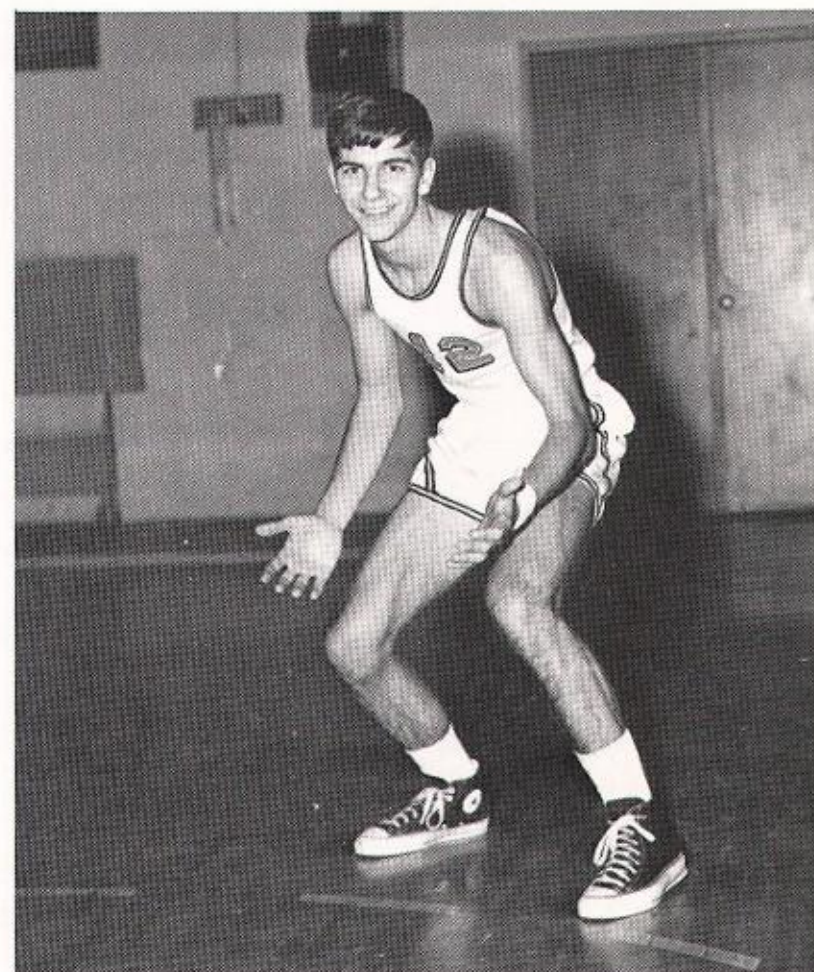

The Warrior basketball team played an exceptionally tough Lehigh-Northampton League this season, with a record of 4-8 and 8-14 overall. However, the team played better than the league standing indicates. We lost three games by two points or less, and lost to Nazareth, the league champions, in the final thirty-five seconds of the game.

Senior Ray Kelchner led the team with 335 points (a 17.7-pt. average per game), followed by Mark Symanovich with 273 and sophomore Barry Jarvis, who missed nine games due to injury, with 170. Because of his outstanding play, Ray Kelchner made the Lehigh-Northampton League Northern Division first team.

Coach Laubach did a fine job during his varsity coaching debut, and we wish him great success in the years to come.

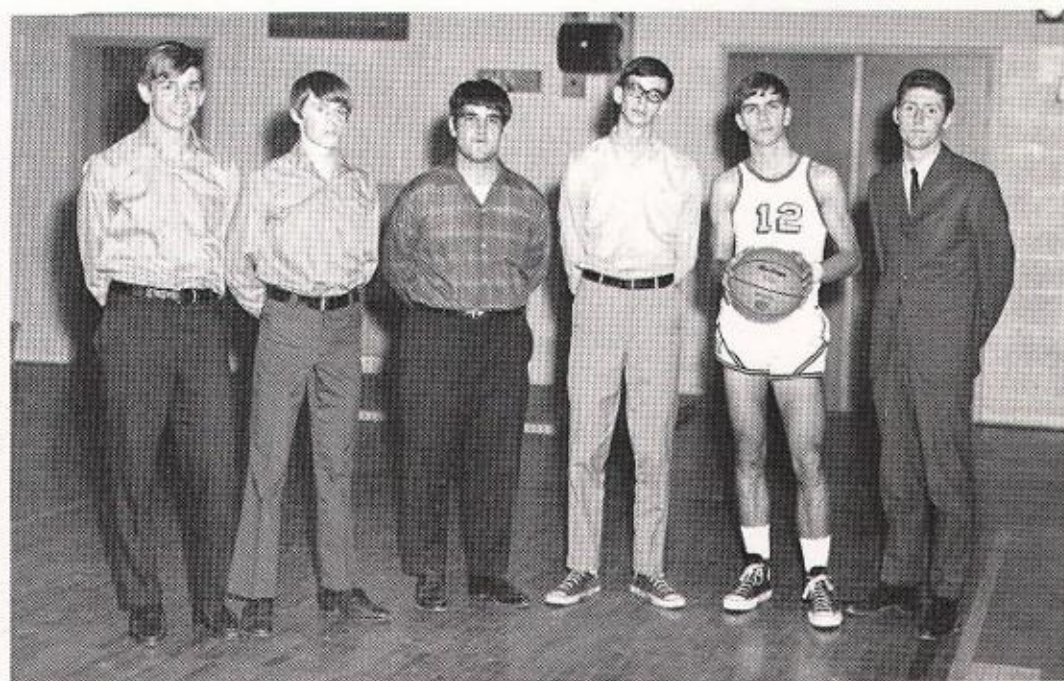

Kelchner jumps high for a sure shot.

Girls Bounce Through A Great Season

The Girls' basketball team, under the direction of Coach Mrs. Bossert, finished its season with an over-all record of 10-4. This year's high scorers were Nancy Holmes, 242 points, Carolyn Arnold, 235 points, and Debbie Vogel, 88 points. Tri-captains who led the team on to victory were Nancy Holmes, Greta Dreisbach, and Michele Michael. The girls are looking forward to an even greater season next year.

1969-70 *Wrestlers*

The Varsity Wrestling Team ended its season with a 12-2 record, compiling the most victories ever won by a Wilson squad. The team took second place in the Lehigh-Northampton League, bowing only to Hellertown, and placed fourth in Districts. One of the season's best matches was against Nazareth; the Nazareth squad is our arch-rival, and victory there gave Coach Zarbatany his 100th success.

Wilson had the great honor and privilege of having two grapplers become district champs—Mike O'Brien and Skip Dalrymple. Mike also had the fortune to become regional champ at 106.

Faculty vs. Seniors

The Faculty-Senior basketball game of 1970, sponsored by the Wilson Borough Education Association, saw a startling win by the teachers, 51-39. The proceeds of the game went toward two scholarships for graduating seniors going into the field of teaching. This year, led by Mr. Mammano and aided by senior Don Reed, the faculty added a victory to its record, now having a slight edge over the senior soccer and football players of 18-1 games.

J.V. Basketball

The J.V. basketball team, coached by Mr. Hunt, had a record of 7 wins and 15 losses. Basically a very good team, the boys had many tough breaks. They lost six games by only a few baskets, two of these being played in overtime. Judging from their performances and not from their final scores, Wilson will have a very fine basketball team next year.

Junior High Basketball

The Junior High Basketball team, under the able coaching of Mr. Thomas Burke, ran into a majority of exceptional teams this year. Among games to remember were those against Hellertown, with our coming out ahead 50-49, and against Northwestern, resulting in a Warrior 46-31 victory. Brad Hunsicker was the season's high scorer, with 144 points. Tri-captains were Bic Vogel, Butch Marinelli, and Brad Hunsicker.

We hope to see these boys as future J.V. or Varsity players scoring for Wilson in years to come.

Senior High Mixed Chorus

The Senior High Mixed Chorus is made up of a group of students who enjoy music and who are selected only by audition. The chorus holds rehearsals every Tuesday and Thursday afternoon. They are a flexible group, singing everything from "Amahl and the Night Visitors" to "What Now My Love" and from religious music to European carols.

- Due to circumstances beyond control, the chorus was unable to present a Christmas concert, but it performed at the Spring Concert and the 1970 Baccalaureate service. This year the group was conducted by a new director, Miss Beverly Roberts. Miss Roberts has won the title of World's Champion Accordion Player and has done a very commendable job.

Musicians of the Future

Our Junior High Chorus is composed of seventh, eighth, and ninth grade boys and girls who enjoy singing. They rehearse before school twice a week. This year they performed at the Spring Concert. They are very ably directed by Miss Beverly Roberts, our new music teacher.

"The Halls are Alive with the Sound of Music"

Every Monday evening, the halls and rooms of Wilson High are filled with music. The tones range from the contemporary songs of "Aquarius" and "Sunny" to the Latin "Cantate Domino," but all the music reflects the good taste of a skilled conductor, Miss Beverly Roberts. The songs are performed by a quality group, the Wilsonaires.

The Wilsonaires consist of approximately twenty senior high students who love music, who have mature voices, and who give up much of their time for rehearsals and performances. They represent WHS at many out-of-school functions, including church meetings, social and business organizations, and concerts. They are, in effect, Wilson's "Good Will Ambassadors."

Wilson's Swingin' Belles

Here is one of Wilson's exclusive clubs. To be eligible for membership one must fulfill two requirements: first, one must be a member of the senior high, and second, one must be a girl.

The girls rehearse before school on Friday mornings. This year they performed at the Spring Concert. The Wilson girls are lucky to have this chorus, and the student body is lucky to be able to hear their sweet voices.

Miss Roberts has done a fine job as chorus director.

Li'l Abner

The senior play is an annual event produced solely by the senior class for the public.

The musical production of *Li'l Abner* was undoubtedly 1970's biggest hit and surpassed all other senior plays. It was presented on March 6 and 7 to an auditorium filled to capacity, with standing room only.

The community ticket sale was the means used by the class of 1970 to raise the necessary funds for *Li'l Abner*.

Miss Stueber served capably as director of the play. Orchestra director was Mr. Curnow, aided by chorus director Miss Roberts. Make-up and ticket activities were headed by Miss McHugh. Art director Mr. Happel and stage crew head Mr. Cardell did a fine job of preparing stage settings.

Les Memoires

Yearbook editors and their staffs work throughout the year to compile all the annual events of Wilson High School into a *Les Memoires*. The yearbook is available to all students.

Several campaigns and drives are initiated throughout the year to raise money to publish the book. Miss Hay is in charge of the Business Staff and does a fine job of soliciting area firms for advertisements.

Mr. Kuna deserves special recognition for all the time and effort he unselfishly gave to the 1970 *Les Memoires*. Through his labors and those of all staff members, the yearbook has become a living history of Wilson Borough High School.

Chris—we, the class of '70, say "Thank you" for the many frustrating hours you spent editing this year's *Les Memoires*. We wish you the best in all your endeavors.

Senior High Student Council

The student body is represented by the Student Council. This important group of students is elected democratically and works side by side with the school administration and Mr. Schaeffer.

This year, due to the council's efforts, a campus room was acquired for seniors. It is located in the former girls' locker room. Student Council paid for the new furniture, carpet, and snack machines placed in the room, creating a comfortable setting for the 12th grade.

Besides the campus room, the council has charge of the Red Cross, AFS, and the United Fund drives. It also sponsors dances, paid assemblies, and WHS Day.

Officers this year are John Leiby, President; Michele Michael, Vice President; Ginger Saloky, Secretary; and Dale Dalrymple, Treasurer.

Current Events Club

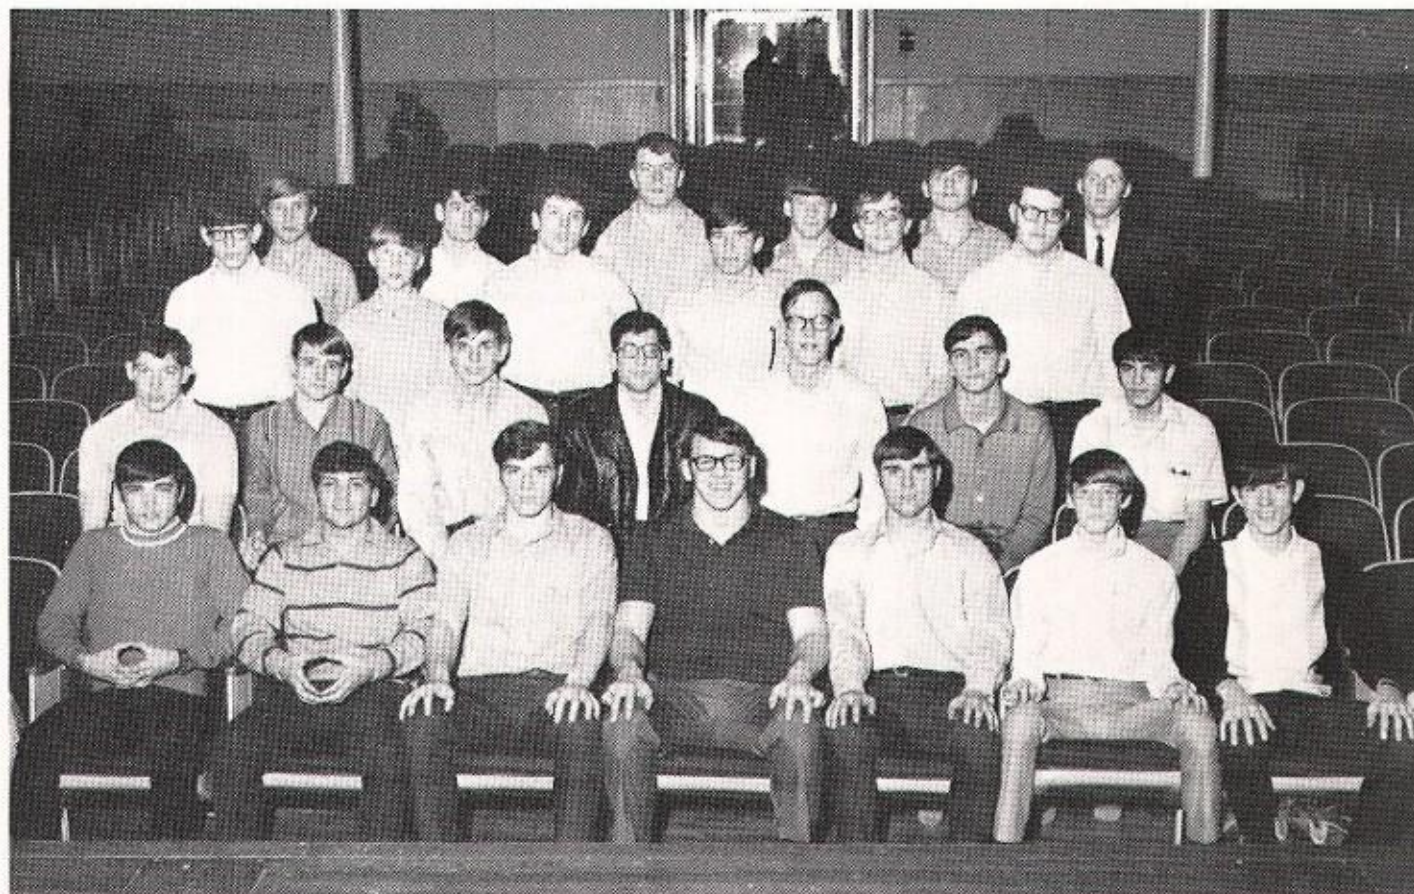

The purpose of this club is to develop and exchange ideas concerning today's events. There are no officers of this club since this does not seem a necessity. This year the members viewed a movie on primitive culture at Lafayette College. They also held experiments dealing with perception. A splendid time was had by all. Mr. Clemmer served as advisor of the group as problems were discussed and remedied.

Officers of the club are Skip Dalrymple, President; Bill Streeter, Vice President; Vic Ulba, Secretary; Gene Schriner, Treasurer; Frank Crivellaro, Sgt.-of-Arms; Mr. Laubach serves as advisor to the club.

Ski Club Hits the Slopes

One of the most successful clubs at Wilson is the newly formed ski club. Each Friday night the "Rocket" safely delivered the members to Camelback for an action packed evening of night skiing. FNA Visits Eastwood Convalescent Home

The Future Nurses of America, advised by Mrs. Schiro, acquaints girls with the field of medicine and nursing. The club had its annual Christmas party and saw a film on drugs. At Easter, the girls made Easter baskets to take to Eastwood Convalescent Home. The annual spring trip included a tour of Albert Einstein Medical Center. In May a customary mother-daughter tea was held.

1969-1970 has been a profitable year for the girls who are planning on nursing for a career. It is hoped that the girls who are leaving the club will succeed in whatever field of medicine they pursue.

This year's officers were: Linda Strause, president; Kathy Richards, vice-president; Pam Myers, secretary; and Janet Shook, treasurer.

The Future Teachers of America provides an opportunity for students to explore the field of education.

This club has dealt with many activities throughout the year. Mr. Segal invited several speakers who discussed special education; talks were also given on the advantages and disadvantages of large and small public schools. The club participated in county, regional, and state FTA events. Marsha Buchman, who was elected county FTA president, will run for the office of regional president, while Elaine Kulczycki will run for state president.

Other FTA activities include a field trip to East Stroudsburg State College, cadette teaching, management of the bookstore, and Teacher Appreciation Day. Officers are: Althea Allen, president; Debbie Kocher, vice-president; Kathy DeVito, secretary-treasurer, and Denise Derkac, historian.

All They Need is a Field

This year's Baseball Team begins its season with high hopes, and for good reason. Seven starters from last year's squad are again with us. The players will be clad in their new uniforms and hopefully will be able to play on their new field. Thus far the Warriors have proven themselves definite contenders for the league championship. A smashing 4-2 victory over arch-rival Hellertown leaves victory lane open for this talented and spirited team. Coach Haas is to be commended for the Baseball Team's success.

Our track men prove they are physically fit and conceited.

Track Team

Even though track is not a great spectator sport, there is such a variety of activities in a track meet to keep anyone interested. From sprinting to jumping to throwing, these boys must be in top shape. Coach Reese and Coach Panovec help keep our men physically fit and are proving it by the spectacular showings the Wilson Track Team is putting on against all opponents.

Seniors who are a great help in adding points to the team score are the weightmen, Glenn Romig and Skip Dalrymple; sprinter Dale Dalrymple and distanceman Don Lutick; and jumpers, Gene Howey, Vick Ulba, and Frank Crivellaro.

These track men and other underclassmen are working hard for a really successful season. They should receive a lot of support from the student body to cheer them on to many victories.

Sprinter Dale Dalrymple scares away all competition.

Warrior Volleyball Team District Champs

This was the first volleyball team in the history of Wilson High School, and it turned out to be quite a team. The Warriors finished third in the East Penn League with an overall 8-5 record, losing very close matches to Liberty and Freedom. We proved our strength, however, when we won three straight matches to achieve the District XI Volleyball Championship. Victories came against Freedom in the preliminaries, Easton in the semi-finals, and "Cinderella team" Pen Argyl in the finals. Coaches this year were Mr. Kelchner and Mr. Hunt, both doing an excellent job.

As a result of our District XI title, the team competed for the Pennsylvania title at Penn State University. The boys were up against the state's finest. Although defeated by Peabody of District VIII (15-10, 15-4) and Tunkhannock of District XII (15-2, 15-6), the Warriors made a fine showing.

Swinging Girls

Girls, girls, girls. This year a new sport has come to Wilson. Softball is the name of the game and Miss Annette Yautz is the new and talented coach. She has an unofficial assistant, Mr. Melick, who helps out greatly with the team. The girls play nine games in their first season of play. To look like a team they are using old J. V. Baseball uniforms, Hockey shoes, and Hockey socks. It is a great conglomeration, but the one thing the girls can call their own is the aluminum bats which the school purchased for them. The girls' Softball Team is this year led by Co-captains Pat Schroeder and Nancy Holmes.

J. V. Baseball Opens Season

The J. V. Baseball Team has a new look this year because it has new uniforms, or so they seem to the squad members. The boys are wearing the old Varsity uniforms. Mr. Mammano is the J. V.'s coach, back for his second year. He has a lot to work with, since he has a talented squad of boys this season. The team is looking forward to a winning record.

Our Putterers

This season the Golf Team faced many formidable opponents. Among their most difficult matches were those against Parkland, Easton, and Phillipsburg. Coach Horon this year arranged some electronic aids for his team. Films were made of various parts of their games and were replayed to correct errors. This aid and the skill of our team players led us to a winning season. Practices and home matches were played at the Green Pond Golf Course.

Use of audio-visual equipment has proven itself quite beneficial in detecting errors in the Golf Team members.

Wilson's Racquet Men

The Tennis Team is under the brilliant coaching of Mr. Jose Villiano. This year our boys were certain to have a fine season as a result of many hours of tiring practice on the court. Although Pete Rossi was the only senior member of the squad, the team was greatly strengthened by experienced lower classmen. Our initial match with Freedom proved to be a tie, but the Warriors proved their drive and determination for a good game of tennis.

The purpose of the Golf Club is to teach to junior high boys the fundamentals and love of golf. Mr. Horon serves quite capably as advisor to the club members. Students of the Golf Club acquire experience in practicing and are the school's best prospects for our Golf Team in years to come. Practices are held at Green Pond Country Club after school.

Tennis Club

The Tennis Club helps students to learn the basic fundamentals of tennis through instruction which is given by Mr. Villiano. Most of the activities take place in the spring and fall tennis seasons.

This year the club went to the Spectrum in Philadelphia to see the indoor International Tennis Championship Tournament. Mr. Villiano hopes that next year the Tennis Club will attend national competition at Forest Hills, New York.

Officers this year are Elaine Kulczycki, President; Pete Rossi, Vice-president; Judy James, Sec.-Treasurer.

M. Lambert, G. Dennis, Mr. Pellen (advisor), C. Stein, Jr., A. Fischer.

Archery Club

This club is designed to give students an opportunity to become familiar with the bow and arrow. Highlights of membership are trips to several of the established fields and instructive archery courses offered in the area. The members meet twice a month and shoot for pleasure under the guidance of Mr. Pellen.

P. Rossi, W. Riley, K. Stout, D. Katinis, R. Bright, Mr. Reichard, advisor.

Trout Fishing Club

Even a hobby has to be learned if it is to be done right. This newly formed club is under the guidance of Mr. Reichard. The main purpose is helping with the restoration of the Bushkill Creek. They also watch movies on the subject and make their own flies.

C. Hutchison, J. Long, Mr. Willner, advisor.

Ukelele Club

The ukulele club is designed to teach its members the fundamentals of playing their instruments. Under the guidance of Mr. Willner, they concentrate mainly on the older songs of the generation.

E. Minini, B. Miller, K. Depew, K. Brett, B. Schroeder.

Chef's Club

This club is membered by chiefly junior high boys interested in cooking. The members meet every other week and cook for pleasure. Their "concoctions" are usually simple, making such things as cakes, cookies, pies, sandwiches, and salads. Although the club is made up mainly of eighth graders, some boys of the senior high have requested membership. Perhaps in years to come these chefs will also have to pick up a few hints in the culinary arts. Miss Griffiths, advisor.

Mr. Willner Teaches "Art of Shutterbugging"

This club is designed for the camera bug. In its various activities the members learn to take care of their cameras and become acquainted with the art of taking pictures. The main functions of the club are viewing filmstrips, slides, and movies illustrating the proper techniques of photography. Students of the Photo Club often become quite proficient as Shutterbugs. Mr. Willner serves capably as its advisor.

Mr. Couillard (advisor), B. Duane, J. Soloe, C. Nitchkey, J. O'Connell, F. O'Connell, W. Brown.

A.M.B.A.S.

The automobile, motorcycle, boat, airplane, safety club supervised by Mr. Couillard, Mr. Tice, and Mr. Pannovec has many exciting activities. In February they flew to New York to see the boat show, and in the future they are planning a boat week-end at Hauches Point, Maryland. There they will study sailing, skiing, and diving safety. On April 15, several of the boys participated in a motorcycle rally race in Allentown.

Mr. Hartzell (advisor), P.

Bring on the Leather

Under the guidance of Mr. Hartzell, this group of senior girls learned the unusual art of leather carving. Various articles such as purses and wallets were made. The articles were useful and making them provided fun for the girls.

Future Craftsmen

The main objective of the Junior High Shop Club is to develop an appreciation of craftsmanship in its members. Meetings provide the boys with the opportunity to learn more about their specific interests. Mr. Kantor serves effectively as advisor to this club, and the boys have produced many useful articles.

Library Club

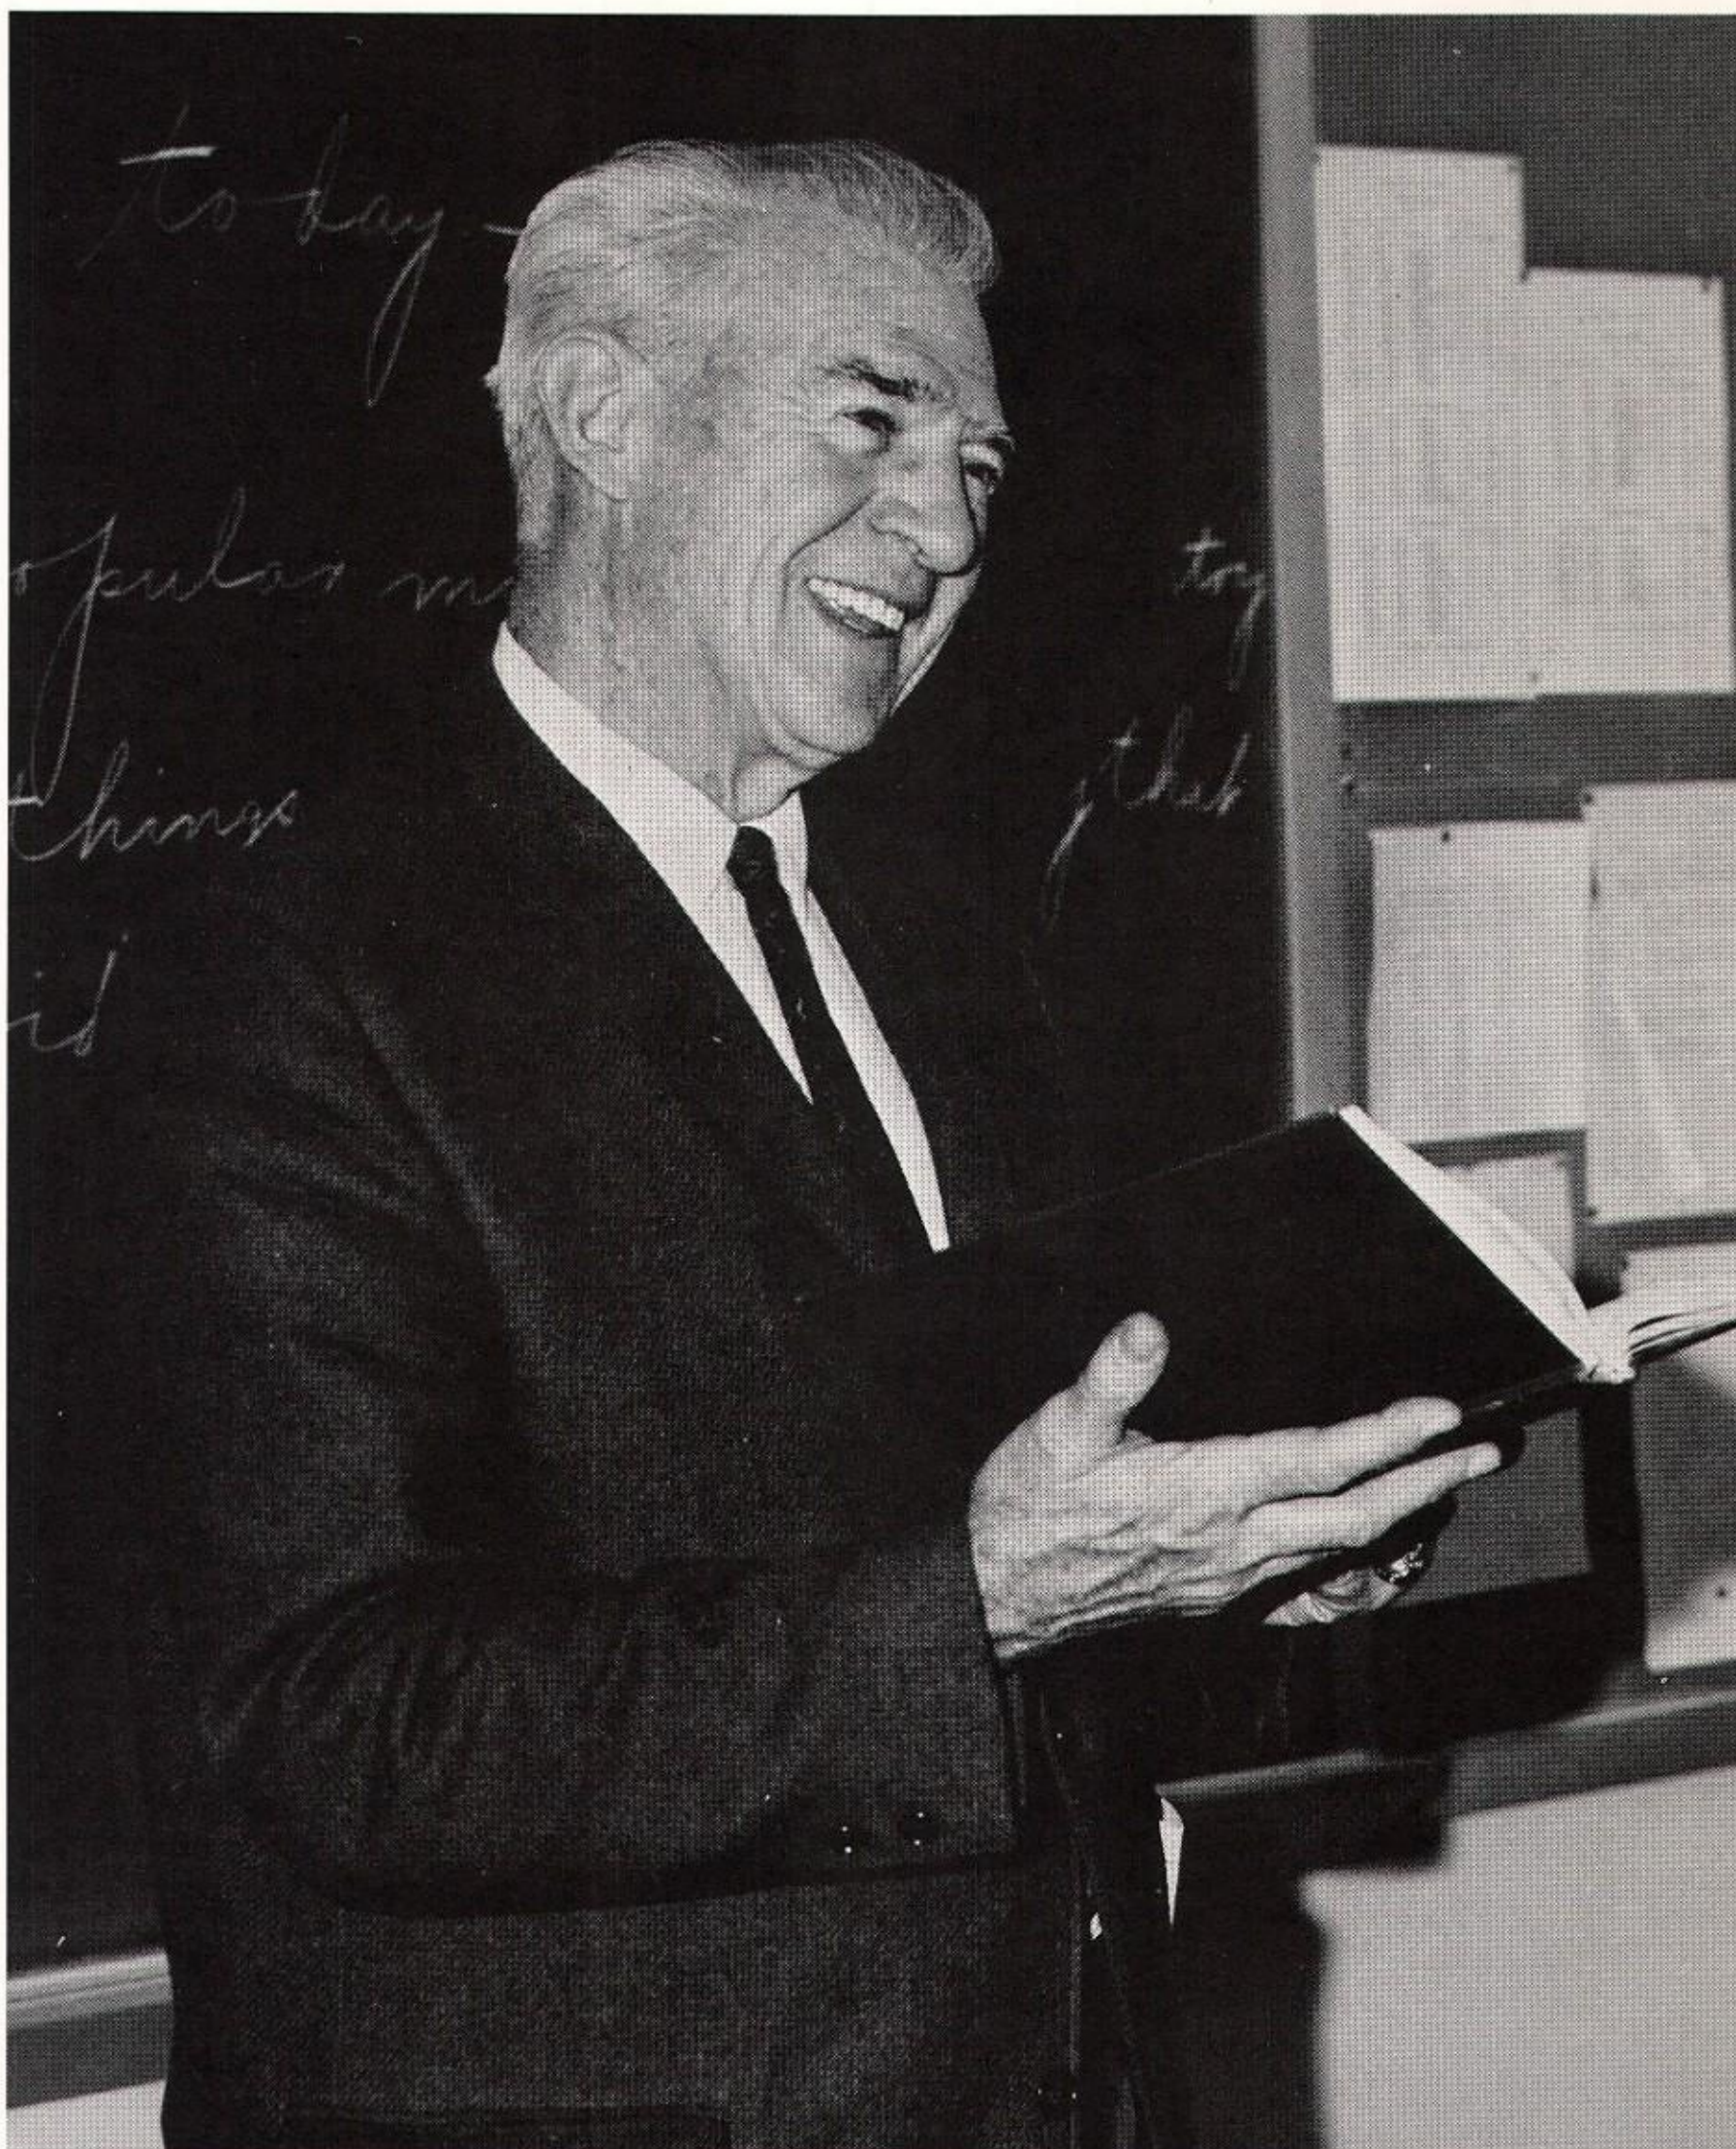

These hard-working students do much work in the library to aid our busy librarian, Mrs. Sloyer. Members of the club perform all the chores of their advisors—they find overdue books, collect fees, do desk work, and aid students in finding reference material. The students assist in the library during free periods and after school. They can in this way become familiar with the world of books and possibly make that field their careers.

Under the direction of Mr. Sid Segal, 1969-70 was a great year for the Future Teachers of America at Wilson High School. Marsha Buckman, a member of the sophomore class, actively campaigned and was elected president of county and district FTA clubs. Her position is a first for Wilson and will entail a year of hard work.

Elaine Kulczycki, another ambitious sophomore, has brought great honor to our school. She was elected president of the Pennsylvania FTA club at a convention composed of 108 clubs and 700 future teachers of the state. Wilson High School congratulates both these young ladies for the honor bestowed upon them.

Marsha Buckman, President of County and District FTA and Elaine Kulczycki, President of Pennsylvania FTA.
